To

K. V. Anantaraman, Esq., B.A.,
Offg. Secretary to the
Govt. of Mysore, Revenue Department, Bangalore.

SIR,

I have the honor to state that I have in anticipation of sanction arranged for the hire from the Offg. Assistant Controller of Grass Farms, Bangalore, of two steam baling presses for use in connection with the shipment of hay from the Malnad at a cost of Rs. 200/- a month. The total cost of the plant including pay of Engine Driver, Fireman and Lubricator will work out at about Rs. 300/- a month, which will be less than Rs. 1 per ton of hay pressed.

On the other hand, I expect to be able to save on an average about Rs. 8/- per ton in transport charges in addition to enabling us to move the hay about three times rapidly as we can at present.

I have the honor to request you to obtain Government sanction for my action, which I may say I have discussed with the Conservator of Forests and which has his approval.

I have the honor to be,

Sir,

Your most obedient servant,

Director of Agriculture
